On July 4, 2009, at approximately 0310 hours Court Services Central Deputy Carlos Leon was involved in an off duty non-hit shooting at [redacted] in the city of [redacted]

Deputy Leon was sleeping and was awakened by the sound of a vehicle door. He looked out of his bedroom window and saw a male inside of his 2007 GMC Yukon, (California license plate [redacted]) which was parked against the south curb line in front of his residence ([redacted]).

Deputy Leon immediately retrieved his firearm and went outside. He identified himself by saying "Sheriff's Department, Sheriff's Department, Sheriff's Department" as he pointed his firearm at the suspect. The suspect exited Deputy Leon's vehicle and entered a four-door red Nissan via the front passenger door. The Nissan was stopped next to the Yukon on Allengrove Street and not visible to Deputy Leon until he was outside.

Once inside the Nissan, the suspect turned to face Deputy Leon with both hands extended and pointing an unknown dark object at Deputy Leon through the open window of the closed door. Believing the dark object was a firearm and fearing for his life, Deputy Leon fired one round at the suspect. The vehicle accelerated and continued eastbound on Allengrove Street then turned southbound onto Tweedy Lane and out of view. Deputy Leon believed he had struck the door post between the front and rear passenger side doors.

IAB Note: The firearm Deputy Leon utilized during the incident is his Departmentally issued Beretta 9mm semi-automatic firearm (serial #BER[redacted]

Deputy Leon immediately called the Downey Police Department and advised that someone had broken into his vehicle. He also advised he had been involved in a shooting.

INVOLVED EMPLOYEE STATEMENTS

Involved Deputy Carlos Leon was interviewed at his residence by Sergeants Diana Gealta and David Bly, on July 4, 2009 at 0632 hours. Deputy Leon chose to be interviewed without representation. He was re-interviewed on September 17, 2009 at Internal Affairs Bureau by Sergeants Diana Gealta and David Bly. He was represented by Derald Brenneman of Green and Shinee. Both interviews were audio-recorded.

Deputy Leon stated at approximately 0300 hours he was awaken by the sound of a vehicle door. He looked out of his bedroom window and saw someone was inside his vehicle. He immediately retrieved his duty weapon and went outside.

Deputy Leon stood on the sidewalk approximately four to five feet away from his vehicle. He identified himself by stating, "Sheriff's Department" three times as he pointed his firearm at the suspect who was in the vehicle. The suspect jumped out of Deputy Leon's vehicle and into a four-door red Nissan via the passenger's side front door and the vehicle started to pull away. Deputy Leon saw lights on the street next to his vehicle from his bedroom window; however, he was not aware that the Nissan was stopped next to his vehicle until he went outside.

Deputy Leon saw the suspect in the front passenger's seat, extend both his arms out of the window and point something directly at him, Deputy Leon said he was aware he did not have his vest on and was in fear. Deputy Leon fired one round from his duty weapon. The suspect's vehicle was moving and Deputy Leon stated he believed the round struck the vehicle in the pillar between the front passenger side door and the rear passenger side door. The suspects fled eastbound and turned south onto Tweedy Lane and out of view.

IAB Note: An examination of Deputy Leon's firearm indicated there was one live 9mm Luger caliber cartridge in the chamber and fourteen live 9mm Luger caliber cartridges in the magazine. The firearm along with the magazine and cartridges were submitted to the crime lab for examination.

See Scientific Services Bureau Firearms Identification Report in Miscellaneous Documents.

Deputy Leon stated he was aware of his backdrop, he stated there were no vehicles on the other side of the street. There was a house which was in the line of fire, behind the suspect's vehicle; however, he was aiming and shot at the suspect who was pointing something at him. That suspect was seated in the front seat on the passengers side of the Nissan. Deputy Leon believed that he struck the "B panel" which is the pillar between the front and rear door of the vehicle.

Deputy Leon immediately returned into his home and called Downey Police Department to report the incident.

IAB Note: The memo authored by Deputy Leon indicated that he saw the barrel of a gun pointing in his direction, see Exhibit B. On July 4, 2009 Deputy Leon did not tell investigators he saw the barrel of a gun.

Deputy Leon was re-interviewed by Sergeants Diana Gealta and David Bly on September 17, 2009. Deputy Leon explained that he did not originally describe what he had seen as firearm because he only saw a barrel pointing at him, not the entire weapon. Deputy Leon reiterated that he discharged his weapon because he was in fear for his life.

IAB Note: Photographs of the scene and evidence are included in this report, see Exhibits D. Deputy Leon provided a sketch of the scene in which he used to diagram the position of the vehicle and his position at the time of the incident, see Exhibit E. A recording of Deputy Leon's phone call to Downey Police Department is also included, see Exhibit C. Deputy Leon documented his observations and actions on a memo. A copy of that memo is included in this report, see Exhibit B.

Deputy Leon stated the firearm he utilized during the incident is his departmentally issued duty weapon.

IAB Note: An examination of Deputy Leon's training records confirm he qualified with the firearm on [redacted].

Refer to Deputy Leon's interview transcript for further details.
